Question 2

Test 6

School trips are exciting learning experiences. We can learn a lot by visiting new places. School trips are often more interesting than only reading about things in books or watching videos. School trips are a very important part of our education. I think we should try to go on one school trip every year.

Question 1

Test 6

Everyone of us has some activities to do. My favorite activity is painting. I always feel happy when I'm painting. If I'm sad, I paint. Then I feel better.

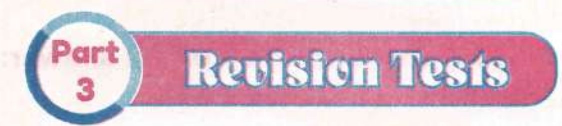

Question 2

of friends at school. Waleed is tall and wears glasses. He's very creative and likes drawing. Aya is very kind – she helps everybody. She has straight hair. She can't hear very well, so she wears a hearing aid. Amany loves drama and has curly, dark hair. She also loves reading and always has books in her hands. Khaled is very sporty, and he's in the wheelchair basketball team. Fawzy is great at math. He has short hair and wears braces. I have great friends. We are all different, but we love each other.

Tell me about your school friends.

Talk to you soon,

Subject: My favorite school subjects, my friends and what I hope to be in the future
Hi Rana،

How are things with you?
My favorite school subjects are math and science. I love learning about how things work and solving problems. I also like reading and writing, but not as much as math and science. I have a lot of great friends at school. We play together at break, and we help each other with our homework. When I grow up, I want to be a scientist. I want to invent new things and make the world a better place. I think science is really cool, and I can't wait to learn more about it.

Tell me, what are your favorite school subjects? What do you want to be when you grow up?

See you soon,
Sama

3 Read the following text and answer the questions.

Birthdays are celebrated differently all over the world. In Egypt, we make delicious cakes for our children and put candles on them to show their age. Most children get presents from their parents and friends. In the USA and Britain, presents are given not only to children, but also to adults. People also give each other birthday cards. In China, it's usual for people to eat peaches and long noodles on their birthdays because they think that food gives them a long life.
